

The Shelsleys Gardening Club: Autumn & Spring Programme

We have a varied programme for the autumn which will, we hope, be of interest to active gardeners and armchair gardeners alike. Our talks are on themes loosely related to gardens and the countryside and this programme is designed to appeal to anybody who enjoys living in the country.

Meetings are held on the first Wednesday of the month at 7.30p.m. in Shelsley Beauchamp Village Hall. We start with a glass of wine or cup of coffee which is included in the fee of £4 for visitors and £2 for members.

New members are very welcome.
