WELCOME to Teme Triangle...this month with Judie Welsh.

March is often thought a quiet month but not here...once again our pages are packed with news and happenings, including a veritable explosion of new enterprise, inspiring stories of goodwill and community spirit and the rather more down to earth issue of that housing controversy, which made the national press this month. And, with local elections coming up in May, maybe this is your opportunity to contribute to the community?

But first, a word about your TT.

Some people are confused about just who is in the chair at TT each month! After a year of sharing the editorship, the team has decided to continue with the arrangement, but you need not worry, all contributions that go to editortemetriangle@gmail.com will reach the editor of the month, who will always respond. If you are keen to know exactly who was in the chair in a particular month, we shall introduce ourselves at the outset! Any general query can, as usual, go to Judie Welsh (01299 896 555) or Jerry Johns (01886 812 304).

NEW ENTERPRISE IN THE TEME VALLEY

One of the things that struck me when I came back from my year 'out, was the feeling of vibrancy around these parts. New faces, new activities, and masses of new enterprise. Israel is said to be the 'start up' nation but we're doing our bit here!

SHELSLEY HERBS AND FLOWERS

Kate Hurst, (see our front cover photo), who moved to Pear Tree Cottage in Shelsley Kings three years ago, found herself with three acres of sumptuous garden, planted by local garden enthusiasts Peter and Sheila Collis. "We moved from Ironbridge in July and the garden was quite beautiful, but a bit daunting", she told us, "and I set about learning and discovering all that it had to offer".

Now Kate, who is a busy mum too, has launched Shelsley Herbs and Flowers, offering local, seasonal bunches of cut flowers and herbs through Clifton Shop and Top Barn or to order. She is also hoping to do weddings. kate@shelsleyherbsflowers.co.uk 07887 706147.

NEW CLIFTON BUSINESS GEARING UP FOR SPRING TRIM

Our next 'budding' entrepreneur is Clifton's Brian Butler, who is bracing himself for a rush of local residents wanting their mowers serviced since taking over the garden machinery repair business operated for many years by Brian Richards.

Brian is best known for his tree-work, having trimmed many of the garden hedges and trees in the village for years, but now he is embarking on a new business repairing and servicing mowers, chainsaws and strimmers. In due course he hopes to be able to both sell and hire mowers. Son James (18) helps his dad with gardening work.

“Now’s the time to get that mower out of the shed and give it a thorough service before the grass gets too long,” says Brian who can be contacted on 07929014804.

LIVE LONG AND LIVE WELL

Gardening isn’t always good for our aches and pains, and over 30% of GP consultations are said to be for musculoskeletal disorders! But help is at hand in the valley as Patricia Marlar has opened a Physiotherapy Clinic at her home in Shelsley Beauchamp.

“I have been a Chartered Physiotherapist for over 25 years”, she said, “working in Birmingham and London and, since moving here in 2002, I have worked both for the NHS in Bromyard and privately”.

“I offer a wide range of treatments including Acupuncture and specialise in treating Musculoskeletal disorders helping prevent and manage long term conditions and promote wellbeing. With the changing NHS, many patients want to be seen closer to home so the time is right.”

Contact Patricia on 07817 936 421.

LOCAL AUTHOR'S CONNECTION TO NEW CHATSWORTH GATES

And whilst some were out in the garden another enterprising lady was trawling through her family archives!

When the restored Golden Gates at Chatsworth House in Derbyshire are unveiled in May, one of the guests, local author Ann Carmichael, will have a very special connection to their creation.

Ann's ancestors lived in the Peak District for hundreds of years and one of them was the talented blacksmith, John Gardom, who is reputed to have made the original gates in 1692.

Her first book 'THE IRONMASTER' now has a sequel '17 CLIPSTONE STREET' which tells the story of Sarah, who in 1785 gave birth to an illegitimate child and was banished from her Derbyshire home. Ann said "it took five years of searching through records before anything about Sarah Gardom was found and it was a moment of great joy."

Local stockist of '17 CLIPSTONE STREET' is Great Witley Post Office or nationally through Waterstones ISBN 978-0-9927645-1-7

COLOURS OF GHANA

And if it's food for the soul you are looking for, the last of our enterprising residents featured here, must be artist Mel Williams, who had no idea when she set off for five day bike ride 'Go Ghana' in 2011, to help raise money for clean drinking water in Kwahu Tafo, that it would inspire her to undertake a collection of paintings, now to be featured in the 'Colours of Ghana' Exhibition at The Framers Gallery in Windmill Street London W1 (nearest tube Gooch St), from March 24th to 28th. Mel's work will be on display with that of Christopher Charway, a Ghanaian artist who lives in Accra.

Stunning!

CLIFTON HOUSING DEVELOPMENT MAKES THE NEWS

You may have seen Clifton's housing developments mentioned both locally and nationally this month. (Malvern Gazette and Private Eye). This is the current situation.

Hope Lane

Miller Homes, the developers who have been granted planning consent for 30 houses in Hope Lane, Clifton, have removed their signs from the site. A statement issued in January says: "Miller Homes have not concluded the purchase of the site and are unable to provide timescales as to when, or if this will happen at this moment in time."

Blue Shot Meadow

Greenlight Developments have been granted outline planning permission to build 48 houses on Blue Shot Meadow in Pound Lane, Clifton.

Steps Farm/Church House Farm

According to Sir Anthony Winnington, "The Brockhill Estate is in the process of negotiating the terms of the section 106 on Steps Farm. [This] can take some time and has to be agreed before any development can take place but I am (hopefully) quietly confident that things are moving in the right direction. I think Church House Farm will take a little longer as there is more preliminary work required (eg moving the farmstead and dealing with the footpath diversion)".

CLIFTON'S STALWART POST LADY DIES

Mary Lydia Ennion, who died at the age of 94 last month was Clifton's post lady, for over 30 years until her retirement in 1990. Known affectionately as Bunty to most residents, she was a familiar and popular figure in the village, filling in football coupons for people whose eyesight was too poor to do it, delivering prescriptions and newspapers.

THE SHELSLEYS GARDENING CLUB by Norah Tompkinson

The gardening Club has a programme of four illustrated talks in the spring and another four in the autumn. These talks are not always on strictly gardening topics, but rather on themes relating to the countryside or indeed to plants in foreign countries. Our aim is to produce a varied programme of talks that will appeal to all who live in the country and are interested in plants. It is not necessary to be a gardener to come and enjoy our meetings.

TALKS COMING UP

Wednesday 4th March when our speaker is Garth Lowe who will give a talk on Wildflowers in the Knapp Nature Reserve

Wednesday 1st April when Adrian James returns with his marvellous photographs to give a talk on five unusual gardens.

Our meetings start at 7.30p.m. in Shelsley Beauchamp Village Hall and all are welcome. We start with a glass of wine or a cup of coffee. Visitors £4.

LITTER PICK –WHERE DOES IT ALL COME FROM?

Congratulations to the litter pickers of Clifton and Harpley, who most definitely do their bit! Candy Connolly told us:

“The Annual Clifton- to-Harpley Litter pick was ably carried out by the stalwart gang. The sun came out and the snowdrops beckoned. Carling cans, sherry bottles, fag ends and boxes were all removed to their rightful place - THE BLACK PLASTIC BIN BAG.

The 2nd LITTER pick will be March 14th Saturday at 12 noon, beginning on the Village Green and concluding at the New Inn! Come and join us and have a laugh!!! Village A1 litter team.”

Perhaps others might do their ‘patch’ so that we can all look forward to a litter free spring?

CLIFTON SCHOOL WINS LOCAL FIVE A SIDE

“We were all delighted when our girls’ five-a-side football team won a local tournament. Being part of a cluster of schools gives our children the opportunity to compete against other local teams – in this tournament we met Broadwas in the semi-final and then went on to beat Grimley in the final!

The girls were presented with the winners’ shield, by Rebecca Lloyd, a former Chantry pupil and member of the England under 17 football team. They played tenaciously and made the best of every chance and their tiptop defending meant that very few goals were scored against them.”

CLIFTON W.I. CELEBRATES 50 YEARS

“Our February meeting was well attended and our speaker Julia Goodfellow-Smith gave a talk on Love Food Hate Waste. The talk was fun and informative we all gave ideas on how we avoided wasting food and what could be done with leftovers.”

“Remember to visit our Table Sale which is to be held in the Village Hall on Saturday 28th March 10am – 1pm. There will be a variety of tables so something for everyone. (More news on our website). There will be the W.I. Cake stall and an Easter Raffle for a hamper, which will include a Leg of Lamb.”

“Ladies do come and join us, come along and try a couple of meetings see what we get up to, we have a wide range of speakers and events so something to suit everyone. We meet in the Clifton Village Hall 2nd Tuesday in the month at 7.30pm. Our March meeting will be on 10th March 2015 and our speaker is Naomi Roberts on Fair Trade in Nepal. This year’s calendar is very varied so check us out on the Teme Triangle Website in the Clubs and Organisations section for all our news. www.temetriangle.net

For further information please contact Penny Bowden 01886 812784.”

ANYONE FOR CROQUET?

The **BROADWAS CROQUET CLUB** plays on all Tuesday and Wednesday afternoons (weather permitting) from about 1.30pm until 5pm. The club is also open to members on other weekdays, Sundays and in the evening. The club has over 50 members of all abilities. Club days are friendly doubles play but we also compete very successfully in club competitions, regionally and nationally for those who want to test their skills. Twice we have won national team titles. Equipment and training is provided and visitors can come for free taster sessions to try it out on four full size lawns. Club membership is currently £70 annually.

Broadwas Sports Club, Stoney Ley, Broadwas-on-Teme, WR6 5NG near The Royal Oak – follow Village Hall sign) or phone John Guy (Club captain) on 01905 748192 or me, Stuart Smith (Chairman) on 01886 853311 for more information.

CLIFTON QUIZ NIGHT

The next Quiz Night at the Lion in Clifton is on Monday March 9th at 8pm.

Don't miss it!

Church Matters

with Nigel Roberts

Wisdom sometimes comes from an unlikely source!

At a time of year when the people of Wales will be celebrating St. David's Day and all things Welsh, it may seem strange to quote a poet more renowned for his excesses than for moral judgement. After all, another well known Anglo Welsh poet, R.S. Thomas who spent many years serving as a rector in rural Welsh communities while writing acclaimed poetic verses, might surely have been a more suitable person to quote!

But no, for me it is the prayer of the Rev. Eli Jenkins in Under Milk Wood which comes to mind whenever I think of Dylan Thomas and I quote...

"We are not wholly bad or good
Who live our lives under Milk Wood
And thou O Lord would be the first I'm sure,
To see our good sides and not our worst "

Many a rogue and even a villain often possess some redeeming features which suggest that there is always room for a change of heart and indeed that does sometimes happen thankfully!

Therefore we should not surely judge or condemn a man or woman as that is not ours to do.

After all, forgiveness is at the very heart of the Christian Faith.

Nigel Roberts

LENT TALKS

Everyone in the Teme Triangle area is invited to join in with the Lent Talks that are being held at St Peter's Church, Martley.

They are taking place on Wednesday evenings throughout Lent at 7.30pm, with refreshments served from 7pm. The first one is on 25th February.

Everyone who attended last year thoroughly enjoyed all the different subjects and are looking forward to going again.

Pick up a programme from any of our churches (our churches are always open during the day).

If you would like a lift please contact Clifton Rectory on 01886 812483 or cliftonrectory@wwrt.org.uk

MOTHERING SUNDAY AT ST. KENELM'S

COME at 10.00 for 10.30am on 15th March for our Mothering Sunday Service. We have modified and shortened the Family Service so that children will have separate activities during the talk and hopefully will not find the service too long in future!

We also want to encourage people of all ages who would enjoy an informal non-communion, more easy-going service. So we are changing the name too. We have also put the time later (10.30am) and are having coffee beforehand so that those with young children won't have such a rush.

Please spread the word and encourage young and old alike to give it a try. Hope to see you there either on Mothering Sunday or one 3rd Sunday in the future (always the 3rd Sunday of the month).

LOWER SAPEY NEWS with Marion West

Somehow it is always a delightful surprise to see the masses of snowdrops making their wonderful spring displays. St Bartholomew's garden looks amazing!

January was a rather mixed month of sadness and joy. Peter Yates passed away after a long illness and will be missed throughout the village, especially of course by Jean, his wife. They had enjoyed a very long and happy marriage.

Towards the end of January Colin and Barbara Raybould hosted a splendid party at the Golf Club to celebrate Colin's 80th birthday. This was a brilliant party with all their family and friends in attendance and was hugely enjoyed by all.

Church duties this month will not include flowers as of course it is Lent. Cleaning will be taken care of by Pat Savage.

We are hoping to welcome as many of our village friends as possible, for hot cross buns and coffee

At 11am on Good Friday morning (3rd April) so watch for the posters and mark your diaries!

Ladies' bible study will be with Marion West on Tuesday 10th March at 2pm. And finally we shall be expecting the mobile library on 20th March.

PLEDGE YOUR SUPPORT FOR SCHOOL'S LOTTERY BID

Clifton School is asking for pledges of support for their Lottery bid for a School and Community Garden to be created in 2015/16. The project will help to ensure that the children develop healthy eating habits for a lifetime.

The school already has a children's kitchen, which is used both in schooltime and for extra-curricular activities, and want to take this one step further giving the children the opportunity to grow and cook alongside the local community, And, by involving the community they could ensure the crops were harvested right through the summer.

As a Green Flag Eco-school they are keen to use as many recycled materials as possible and having the new garden close to the school building would, they hope, mean more rainwater collection for use irrigating the new beds. They also have a plan for building a greenhouse from plastic drinks bottles!

If you like the idea send a note or email into school, or talk to Sue Gilmour at the WI Table-top Sale on Saturday 28th March.

RURAL REELS PROGRAMME IN CLIFTON

The Rural Reels film programme for the coming season offers some excellent films at Clifton Village Hall. The selection has been made in response to suggestions made to the organising group who say they may be able to squeeze a couple of extras in at some point. Start times and prices remain the same: Doors open 6.30pm and the film starts at 7pm. £5adults; £2.50children.

Saturday, 28th March: *The Grand Budapest Hotel* (15)

Saturday, 25th April: *Belle* (12A)

Saturday, 23rd May: *The 100 Year Old Man Who Climbed Out Of The Window And Disappeared* (15) [Swedish themed evening]

Organiser Mandy Henry says she is looking for a small group of volunteers to help at the screenings, taking the entrance money and helping in the kitchen during the interval. "My aim is to get enough people so that they can take it in turns rather than need to help out at every film." Mandy 01886 812238.

"We have wanted to create our own in house repertory company or drama group but we haven't had the resource during our formative years to make this happen. With the support of Orchard Valley Foods Ltd we now have the ability to take this idea forward." Ian Little General Manager

TEME VALLEY WILDLIFE - MARCH

For my wildlife words for March I have chosen to highlight a Worcestershire survey that we in the Teme Valley Wildlife Group have been asked to help with to find and record the county's oldest trees. The Ancient Tree Project is currently coordinated by the Worcestershire Biological Recording Centre and they have 2,500 trees on their register so far. However, they believe that there are still plenty of unrecorded trees in the county and they encourage anyone who knows of a big old tree to let them know about it. Our part of the county is rich in trees of all kinds, and tucked away in hedgerows, old copses and field corners there may well be some "veteran" trees in hiding!

An ancient tree is one that stands out as being much greater in size than the average. It has a wide trunk and a large girth, looks gnarled and may show signs of decay, with hollows inside the trunk, loose bark or missing or dead limbs, giving it a so-called "stag's-head" appearance. Because oaks are very long-lived, they are the quintessential veteran tree. It is said to take 300 years for an oak to reach maturity, 300 years for it to enjoy its prime, then a further 300 years to decline, until coming to a collapse, as our local massive tree, the Mawley Oak has recently done. An oak of interest to the register would need a girth of 3.9 metres.

The other obvious old tree in the landscape is the yew, Worcestershire's oldest tree, a yew, is in Knighton-on-Teme's churchyard. The register is interested in any yew with a girth greater than 3 metres. Other trees are less long-lived and so reach smaller girths, despite being old for their particular species. Sweet chestnut, beech, ash and sycamore would be counted on the register if their girths were over 3 metres, whilst holly, field maple and common alder would only need to be over 2 metres in girth.

Old trees provide a habitat for many other species, a thousand types of insect may live in an old oak, and then there are birds, mammals and fungi to count, too. Historically, they link communities today with their predecessors who shaped the landscape, and culturally, they attract names and myths and legends specific to their location. Finally, what to do if you know of such a giant- contact TVWG or the Biological Records Centre at records@wbrc.org.uk or 01905 759759.

The next meeting of the Teme Valley Wildlife Group is on Thursday March 12th 2015 when we welcome Kate Mobs-Morgan talking on "Working Horses". The meeting is at Rochford Village Hall at 7:30pm and as always it is just £2 on the door where everybody is most welcome.

For up-to-date information on what wildlife is being seen in the area, or to give us your sightings, visit us at www.temevalleywildlife.com. The group normally holds a meeting on the second Thursday of the month. All are very welcome. Tel. 01584 781500 or email dannyarnold@waterwide.com
