Children from Clifton Primary School hoisting the Commonwealth Flag with High Sheriff Sir Anthony Winnington

WELCOME to the April edition of Teme Triangle. Spring is definitely in the air and with it comes news of sporting activities, of summer events and changes in our community.....which is often a welcome opportunity to revisit and refresh. Talking of which TT has a new Facebook page....read on!
But first a little flag waving in Clifton.

COMMONWEALTH FLAG RAISED IN CLIFTON

The flag of the Commonwealth of Nations was raised in Clifton on Commonwealth Day in March at a special ceremony outside St Kenelm's Church attended by children from Clifton Primary School and the High Sheriff of Worcestershire, Sir Anthony Winnington.

The flag was raised by three of the schoolchildren: Olivia Griffiths, Toby Gilmour and Bill Ling, all from Eagles' Class.

The Commonwealth Affirmation was read by local resident, 92-year-old Charles Knowles. The ceremony was one of 850 similar flag-raising ceremonies held throughout Britain.

MARK'S 500 MILE HIKE FOR CHARITY

Clifton's Mark Stevens will be setting out in May on a 500 mile hike along one of the world's oldest pilgrimage routes, from southern France to Santiago de Compostela in northern Spain, to raise nearly £5,000 for Marie Curie Cancer Care.

"I'm starting the month long walk on 13th May " he told us, "and I have to walk the 500 miles over the 30 days completing nearly a marathon each day, in order to make my flight home." Mark has been training since Christmas 2014. "My aim is to raise at least £4,460, which is the amount it costs to pay for every Marie Curie nurse in the UK for one hour. When my father passed away he received really good care in hospital so I asked my mother who to raise money for and she wanted the money to go to an organisation that cared for people with a terminal illness."

You can follow Mark's progress via his blog-
<https://markscaminoblog.wordpress.com> and if you would like to donate, you can do so through his justgiving page: <http://www.justgiving.com/markscamino>

UPPER SAPEY KEEP FIT

The Keep Fit group at Upper Sapey Village Hall on Monday mornings welcomes both men and women who want to do more than armchair exercises but are not able to undertake strenuous exercises.

The group is led by physiotherapist Angela Lane who is very mindful of any aches and pains experienced by individuals. "It's not competitive but very friendly, with the focal points being stretching, posture, balance and muscle tone," says Angela.

For more information, telephone Angela on 01684 564334 or join the group on Monday mornings at 10.30am at Upper Sapey Village Hall.

There are other Keep Fit classes of various sorts at Abberley Village Hall, Great Witley Village Hall and other venues so you have no excuse at all!

POINT TO POINT SEASON GETS UNDER WAY

Shooting and hunting is finished so the Point to Point season begins. There are plenty locally and on 24th April it will be Sapey's turn to host.

CLIFTON ON TEME POINT TO POINT 2016 Sunday 24th April

The first of the seven races will be at 2pm or for those of you who would like to enjoy seeing the local children and their ponies race, over a flat shortened course, they start at 1 pm.

This year's event sees two new races, a 3m 6 furlong West Midlands' Area National, with prize money of £1000. And a 2m 4 furlong race for Mares and Fillies.

Another new feature this year will be a Shopping Village with local food and crafts on sale, plus many trade stands including the latest luxury cars and Country stoves.

A fully licenced bar and catering outlets and attractions including a fun fair and animals displays.

SPORTING STARS AND UNSUNG HEROES SOUGHT

And if your sport takes the form of supporter then why not sponsor your local hero?

The hunt is on for sporting stars and the unsung heroes behind their success in the Malvern Hills District Community Sports Awards.

The awards take place at Malvern College on 14 July and will recognise coaches, clubs, volunteers and those who play sport.

Nominations are being sought for 13 categories including Volunteer of the Year and Inclusive Project of the year, with the winners announced on the night in front of more than 200 dignitaries and guests.

The ceremony will be hosted by BBC Hereford and Worcester drive time presenter Andrew Easton, and produced by Malvern-based AN Event Services. Winners will be automatically shortlisted for the County Sports Awards in November.

To make a nomination online visit www.malvernhills.gov.uk/sports-awards. 01689 862226. A limited number of sponsorship opportunities are also available. Email sophie.jackson@malvernhills.gov.uk for more information

MORE MUSIC IN THE TEME VALLEY

VOLANTE STRINGS

On Friday 6th May Volante Strings will be giving a light classical concert at 7:30 pm at St. Mary's Church at Stanford-on-Teme.

The orchestra is a group of twelve or so string players who regularly give concerts at home and occasionally abroad. They perform without a conductor and enjoy playing a variety of music from different centuries right up to the current day. Their concerts are renowned for appealing to a wide audience and also for the delight they give through their sensitive interpretations of the music.

The concert on 6th May will include the trumpet concerto by Neruda. This most attractive work is packed full of good tunes. The soloist will be Francis Sinfield who is the grandson of Angela Richey (Haigh) who with Megan Webb founded Volante Strings seventeen years ago. The orchestra will also be playing works by Dvorak and Elgar, and some lively Tangos.

Tickets are £12.50 each with students under 18 free and include interval refreshments. To book your place contact 01299 896771 or email st.marys1769@btinternet.com All welcome. St Mary's Church is on the B4203 Stourport to Bromyard road about one mile towards Bromyard from Stanford Bridge and has a car park.

SHELSLEYS' VILLAGE HALL MANAGEMENT COMMITTEE ANNUAL GENERAL MEETING 7.30 pm May 17th 2016 VILLAGE HALL

All positions on the Management Committee will be vacant to any eligible parishioner wanting to serve on the Management Committee for the next 12 months. Those interested will need to be resident in Shelsley Beauchamp or a neighbouring parish. You will need to be nominated and seconded by a resident of the parish or a neighbouring parish.

THE NEW CLIFTON-UPON-TEME HANDBELL RINGERS

invite you to enjoy a tea, coffee and cake morning
Saturday 16th April 10.00am- 12 noon at Clifton Village Hall
Enjoy coffee/tea and a slice of cake. Plus a cake stall and a raffle.
And we shall be playing the bells for you all to hear!

THE HISTORY OF THE RINGERS

The original group was founded 39 years ago and played a set of handbells borrowed from Shelsley Church - encouraged by Rev. Donald Heggie, the then Vicar at St Kenelm's. A few years later, when these bells had to be returned to the church, the group rallied together and bought their own set of bells. Fundraising events reimbursed each group member their original outlay.

American bells were purchased as these were available in six months, whereas bells from an English foundry would take three years, such was the waiting list. Since then, the group have purchased more bells and look forward to the old and new teams joining forces and playing all these bells.

A year ago, five new members approached us and asked if they could learn to play. We were so pleased.

Now, as we extend our repertoire, we are looking for opportunities and venues at which to play. We have already played at the Talbot Christmas Fair at Knightwick, at Clifton and Martley Carol Services, and at Councillor Barbara Williams Civic Service in February at Martley Church. At each event we received some very encouraging compliments, and enquiries about future bookings - all very exciting! As well as purchasing new music to keep the new players happy, the bells need costly maintenance and TLC. Therefore, we are planning some more fund raising events. Thank you for your support!

Church Matters

with Jen Denniston

WOMEN'S WORLD DAY OF PRAYER:

The Flag swayed, calypso played... at St Kenelm's, we joined the global day of 24/7 prayer for Cuba, and celebrated in style. White jasmine flowers, maracas, lanterns, a smattering of Spanish, singing new songs, cakes, coffee... and lots of people who joined in to make it a very special morning.

With churches across the benefice, and around the world, we remembered the Women of Cuba who kept the church and faith alive when priests were conscripted, or emigrated, under communism. We learned how Christian values underpin society there, and why the prayers of women matter.

Two guest speakers, Janet Hann and Janet Lawrence from Clifton, spoke of their recent visits to Cuba – of the warmth and friendliness of the islanders' welcome, and the creativity of the local women without many resources.

We remembered how, in many cultures, women and children were regarded as chattels and, even now, can be second-class citizens. On the theme, chosen by Cuban women, 'Receive Children, Receive Me', we reflected on how Jesus accepts and loves us just as we are. Everyone is precious to God, regardless of age, gender, colour, religion, status... each of us is unique. Just as we are open to children and welcome them, we are invited to put aside cynicism and pre-conceptions and be open to Jesus.

It was a lovely day of prayer and celebration. Many thanks to all who contributed in such a variety of ways to make it special.

**The future for our churches - could you help to keep them open?
Find out more on page 27.**

LOWER SAPEY NEWS with Margaret Griffiths

Winter is still with us and we have had some pleasant sunny days recently, but sadly, it hasn't warmed the garden soil up enough to work on yet and the ploughed fields look quite wet still. The very damp winter seems to have been good for moles though, as they are flourishing in our garden. Has anyone a fool-proof method of getting rid of them - for ever! However, the cricket season is round the corner, something I so look forward to and the daffodils are looking lovely in many gardens.

We had a vibrant and enjoyable 'Songs of Praise' service in St Bartholomew's Church recently, with everyone choosing their favourite hymns and readings and Jane Dallow, our local poet, read us two of her poems. Before the service, we enjoyed two afternoons of informal singing practice at 'The Hope', with tea and cake. These were great fun. Thanks go to Candy who organised these and to Dot for also helping with the service. We are so lucky in our village to have a wealth of talent in our midst and indeed, to have such a friendly community. Our Church is the focal point and the threat of it being closed concerns us all. Surely this cannot happen.

NOTICES

Flowers for April will be in the hands of Marion West and cleaning of the Church will be looked after by Suzanne Richards.

For Easter, we would appreciate it if our ladies (or gentlemen?) decorated a window as usual in the Church.

Our Mobile Library will call on Friday March 15th at 10.20 and 10.40am
Our Ladies Bible Group for April will be in the home of Margaret Griffiths on April 12th.

We are now starting a new study course, looking at 100 selected Bible readings and also lives of some of the Saints.

A LOCAL QUEST – CAN YOU HELP?

Robin Fidoe who lives in Bristol is appealing for help in identifying two photos, which he believes are of his ancestors. His family originates from this area and he has made numerous visits here but has now come to a dead end. These photos are, he says, highly significant in his research. Can anyone help? If so contact Robin on Mob 07711 903301, email robinfidoe@btinternet.com

The Soldier The uniform is a British Army overseas non battle dress dated post WW1. The details on the back of the photograph probably relate to the portrait gallery as they are not recognised army numbers. The wording is ' Worcester W 71319 Pritchard 111Y8 urgent' portrait by Horace Dudley 165 High Street, West Bromwich. The picture has been advertised in the Black Country Bugle and has been seen by The Mercian Regiment Museum Worcestershire but to no avail. PRITCHARD has to be the soldier's surname so can anyone recognise him?

The Gentleman This photo was probably taken somewhere between 1911 - 1920. Surname could be Davis or Davies with possible link to Menithwood / Pensax or Knighton upon Teme.

DRAFT ABBREVIATED MINUTES OF THE SHELSLEYS PARISH COUNCIL MEETING HELD ON MARCH 8TH 2016

Present: Councillors Mr C Roberts (Chairman), Mr W Sutherland, MR D Styles, Mr D Bates, Mr B Hart, Mr J Stinton, Mr M Whitefoot County Councillor Dr Pollock and the clerk.

Apologies: Mr T Taylor, Mrs C Warren and District Councillor Mrs Palethorpe.

Declaration of Interest: None.

Minutes: The minutes for January 8th were approved as a true record and signed.

Public Question Time: None. **County Councillor's report: County Councillor's Report:**

Dr Pollock expanded on the written report circulated before the meeting.

1 Superfast Broadband. This will be rolled out to 90% of the county by June. Some of the properties in Shelsley Kings on the Great Witley cabinet will be able to apply for superfast broadband then but for properties in Shelsley Beauchamp and Shelsley Walsh it will not be available until 2017.

Fibre will be connected to the Shelsley Walsh cabinet at some point enabling those within one mile to have superfast broadband.

2 Speeding. It was suggested that a 30 mph speed limit be imposed at Shelsley Walsh in the same manner as the other two wards of the Shelsleys. Failing that a temporary speed limit be imposed on Hill Climb event days. Another suggestion was suggested advisory speed limit signs. A police presence on event days may also deter speeding.

3 B4203. Two stretches of the B4203 have been resurfaced, the area in front of The Green is on the list to be resurfaced. There is also concern about the safety of the rippled edges below Stirt Farm.

4 Ham and New Mill bridges are in a bad state with accumulated rubbish.

5 Mud on roads caused by farmers and contractors not clearing it from the roads. The Clerk had contacted WCC to ascertain whose responsibility it was to clean the road. Councillors were asked to identify dangerous muddy conditions which will be reported to WCC.

Dr Pollock will investigate further on points 1, 2 and 3 and inform the Parish Council of progress. **District Councillor's Report:** A written report from Councillor Palethorpe was circulated before the meeting. This included items on the adoption of the SWDP which includes plans for 28,400 new homes. MHDC Syrian Refugee FAQs page. LEADing Rural Business Programme.

Highways: The Lengthsman's worksheets were inspected and approved.

The overhanging trees near the quarry have been reported by a parishioner to WCC. WCC will write to the owner requesting they be removed. Double yellow lines by the quarry. The landowner asked for the PC to again investigate the possibility of placing yellow lines to deter parking at the quarry but it was agreed that this would be inappropriate in the rural setting.

Road surface and culvert Old Lane. The culvert has been repaired by WCC. The grit bin at Kingswood House is empty and needs to be made level. The Lengthsman will be asked to look at this.

B4203 There has been one reported accident. There is debris remaining from a previous accident still on the verge.

Litter: Clean for the Queen, it was understood that the PCC was organising a litter pick. Lay by on B4203. MHDC at the request of the PC cleared the lay by of all litter and suggested that a litter bin be placed there which would be emptied by the regular weekly waste collecting service. It was decided not to purchase a bin and that if and when the

lay by needed to be cleared of litter, MHDC would be contacted to do it. The situation will be monitored and will be discussed at the next meeting.

The lengthsmen will be asked to remove the old wire circular container currently there.

Planning: MHDC decisions. 15/01695/FUL Replacement building Camp Lane.

Approved.

Clerk's report on urgent decisions.16/00214/CLE Kingswood House. In consultation with councillors the application was recommended for approval.

Correspondence and Consultations:

All items were either emailed to councillors or were available to view at the meeting.

Letter of thanks from Nora Parsons Day Centre.

The Queen's 90th birthday commemoration coin. It was agreed not to purchase these.

District Councillor's fund. No items identified.

Email regarding Teme Triangle delivery. The delivery method for TTs was explained. The milk delivery round will now deliver to all houses not just those who purchase milk. The Editor asked that any properties not receiving TT should be identified and TT informed. Most councillors had either received a copy or had collected one from the various places where they are available. No properties identified.

Section 137 Grants: One application had been received from the PCC of the Shelsleys. It was resolved to make no contribution for the upkeep of the churchyard this year.

Shelsley Walsh Hill Climb: The liaison Councillor will be talking to the Hill Climb next week in advance of the beginning of the season. It was suggested that a safety car be deployed by the organisers to slow traffic on the approach and departure from the venue.

Progress Reports: The Queen's 90th birthday celebrations. The **VHMC** proposes a pig roast with music on June 11th. Further details at the next PC meeting on May 10th.

Finance: The following requests for payment were received and agreed.

Lengthsman's invoice for January and February £480.00 Current bank balance £8170.94

NEWS FROM LAST MONTH'S MEETING OF CLIFTON PARISH COUNCIL:

Residents in Kenelm Road and Kenelm Close are to be consulted about plans to cut down the willow tree at the junction of both roads. The tree's roots have caused blocked drains in the neighbourhood.

A defibrillator is to be housed in the Pavilion.

CLIFTON NEIGHBOURHOOD PLAN

The draft version of the Neighbourhood Plan for Clifton upon Teme was formally approved by the Parish Council last month (March) and a series of public consultation events have since been held at which copies of the Plan were made available for local residents to look at and comment on.

Helen Winer, Chair of the Neighbourhood Plan Steering Group, said she was pleased with the response to the latest draft of the Plan. "We have had some very encouraging feedback from parishioners but we urge everyone to take a moment to comment on it and let us have their feedback," she added.

CLIFTON PARISH COUNCIL MINUTES

Due to a change in administrative arrangements the Clifton Parish Council's formal Minutes will, from now on, be published later than is practicable for Teme Triangle and so will be posted on the Parish Council website rather than in printed form. We shall however endeavour to keep you abreast of important issues that are raised, in our news section. For Minutes go to:

www.temetriangle.net - then go to the Parish council page.

Shelsleys' Parish Council minutes will continue to be published by us in draft abbreviated form immediately after meetings.

ST KENELM'S CHURCH FLOWER FESTIVAL – ADVANCE NOTICE

Open Gardens and Mini Flower Festival on the first weekend in July

Please put these dates in your diaries: Saturday 2nd and Sunday 3rd July 2016.

As before, we shall offer a 'trail' on the Saturday down the Old Road. Parking at the New Inn, for those not able to walk far, is available this time and already booked. (However, please remember to patronise the pub afterwards if you do park there!)

On Sunday Clifton Village will open up gardens large and small and the whole weekend will end with The Friends' Tea Party at Ayngstree – for all those who support the work of St Kenelms in whatever way.

We'll hopefully be arranging a jolly for the Saturday evening too – watch out for more details. Alice Sumner

COULD YOU HELP SAVE ALL SAINTS' CHURCH?

This winter we have had several large funerals at All Saints' in Shelsley Beauchamp, we have welcomed a local family for the baptism of their children and later this year my own daughter is to be married. All these events bring the community together in different ways.

Sadly this month discussions have begun to decide what will happen in our churches when John and Alice Sumner retire in September. One thing is for sure John will not be replaced by a priest. John told us:

"The theme of death and resurrection goes all through Christianity and indeed all through life and this maybe happening right now in Shelsley Beauchamp. The old team of church wardens and Parochial Church Council members, worthy and hardworking as they were, is retiring or moving on and church attendances are regularly in single figures. The future is uncertain and we will soon have a vacuum which will threaten the legal and spiritual existence of All Saints, though it may still function for festivals."

"However a vacuum can create a space where new ideas and new people can feel free to step up."

"The tasks can be shared and include:

Treasurer

Buildings advisor

Church warden to head a team (not needing to do everything themselves).

Members of a welcome team."

"Oh and we pray and sing hymns too – that's rather important!"

Most local activities now operate on a rota system, as people have less and less time; church cleaning, flower rotas, Neighbourhood Watch.

Temple Triangle itself has a team of guest editors so that no one person has to commit every month.

You may have never thought of volunteering to help but please consider it now, if you want your church community to survive.

Just a little time given by a group of people could ensure that our local church can continue to bring us together. For more information contact:

"I have recently done some refurbishment in our home and have released 8 doors and a wooden fire surround/ mantelpiece. The doors are all internal, 3 are obscure glazed, the others are not. The glazed ones have 9 small glass panels each, in 5 rows of 3. The non-glazed ones have 6 panels, 4 larger ones and 2 smaller ones. All are currently painted white. The fire surround is varnished wood.
